

Technical Data Sheet: TDASP492.
Product Name: Canvas and Fabric Paint.

File No: 106
Product Code: ASP492.

Product benefits:

Excellent water proofing.	Authentic military finish.
Quick & easy to apply.	Contains water repelling wax.
Light fast pigments	Good resistance to mould & fungal attack.

What you are buying:

This Canvas Paint uses modern water borne resins to deliver a tough, flexible, water-proof finish. This product contains a liquid wax to repel water and fungicides to prevent fungal and mould growth.

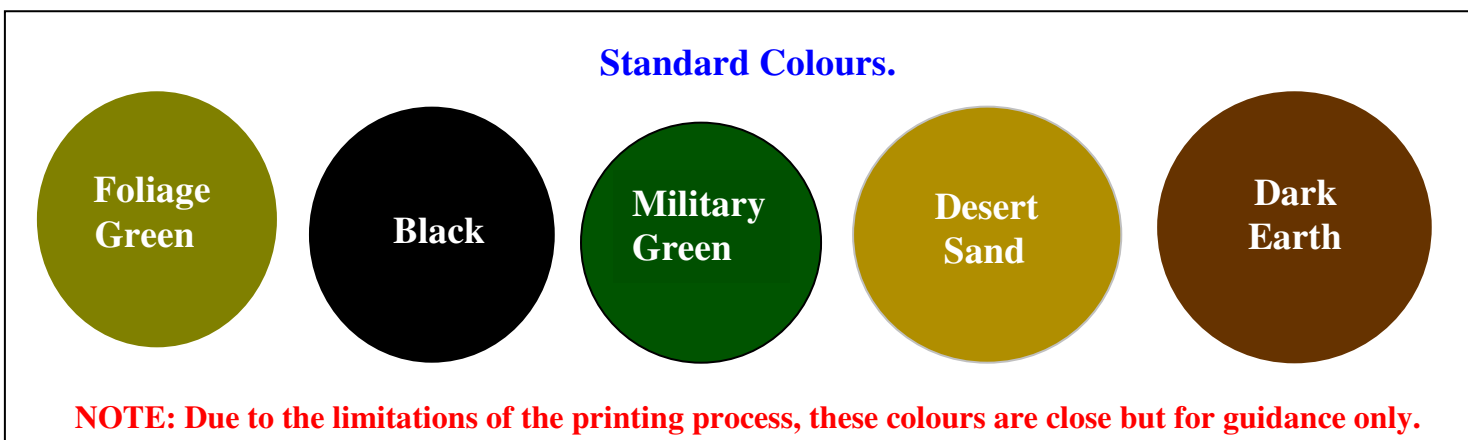

Formulated with light fast pigments to provide an authentic, opaque, long lasting finish to exterior canvas, soft tops, tilts & awnings, etc.

How to use:

- 1) Stir well prior to use.
- 2) Surfaces should be clean free from loose or flaking debris.
- 3) Apply with a good quality brush.
- 4) If unsure test on a small unobtrusive area.

Size & coverage: 500mls covers 4 to 5 square metres, subject to porosity.
2.5 litres covers 20 to 25 square metres, subject to porosity.

Colours: Foliage Green, Black, Military Green, Desert Sand & Dark Earth.
(Please specify the colour you require at the time of ordering.)
